Eric,

That would be good. Sean Lev from Energy called me again yesterday, and I advised that I would connect with him today. Could you summarize in a quick email to me where you feel we've landed on the issues - (b)(5) - Deliberative Process, Attorney Work-Product

Thanks very much for your handling of this.

Anne: We are currently reviewing the material provided by Paul Giardina and other members of the team and are shooting to get it out to you by 1:30 today. Sorry it's taken a bit longer than we anticipated. The latest info I have re the deadline for any comments we might send on the Stoller report is September 2, so there is a little more time than we'd initially thought.
